Haunted House
Bat Gift Box

Assembling the Bat Box

1. Bend the box mat along the score lines.
2. Glue the wings to the box before assembling it completely.
3. Decorate.

You Will Need

Coloured card stock of your choosing
Box x 1
Details x 1
Cauldron

Cutting Files

Base x 1
Feet x 3
Side x 12

Cut the files in the quantities stated above.
Cauldron

1. Using one of the Side pieces, glue to one side of the Base using the tab at the bottom.

2. Repeat the above step with another Side piece and glue the two side pieces together. Continue with the remaining Side pieces until all are joined.

3. Assemble the Feet pieces by gluing the tabs to the corresponding sides.

4. Glue the completed feet to the base of the cauldron.
Coffin Gift Box

You Will Need
Coloured card stock of your choosing
Box x 1
Lid x 1
Lid Mat x 1

Assembling the Coffin Box
1. Bend the box mat along the score lines.
2. Bend the lip of the lid as seen in the picture.
3. Glue the lid mat to the lid.
4. Decorate.
Ghost Goody Bag

Assembling the Kitten Goody Bag

1. Bend the bag mat along the score lines and glue the tabs.
2. Glue a mat on each side of the bag.
3. Decorate and add two pieces of ribbon on the top to create handles.

You Will Need

Coloured card stock of your choosing
Bag x 1
Mat x 1
Haunted House Goody Bag

You Will Need

Coloured card stock of your choosing
Box x 1
Embellishments x 1

Assembling the Haunted House Goody Bag

1. Bend the box mat along the score lines and glue the tabs.
2. Before gluing the rooftile layers add the piece of ribbon to the small ones.
3. Glue the rooftiles layers to their bases.
4. Glue the tab of each roof part to one of the sides of the house.
5. Add the chimney to one of the sides of the roof.
6. Decorate.

Haunted House

Attic

1. Glue together the Front, Sides, Base, and Back pieces together.
2. Mat the Sides Mat details to the sides of the attic and the Front Mat piece to the front of the attic.
3. Using the Top Detail pieces, mat the top edge together, leaving the bottom edge open.
4. Push the bottom edges of the Top piece outwards and glue to the top of the attic.
Haunted House

1. Take one of the Top and Base pieces and glue the Front, Back, and Side pieces to the corresponding edges.
2. Glue the Front, Back, and Sides pieces together at the sides.
3. Glue the remaining Top and Base piece to the top of the structure.
4. Mat the Window and Door Mat pieces over the corresponding cut outs in the front and sides.
Haunted House

Lean To

1. Using the Base Piece, glue the Front, Sides and Back pieces to the corresponding edges.
2. Glue the Front, Sides, and Back pieces together at the edges.
3. Using the roof piece, glue to the top of the structure.
4. Mat the Windows Mat over the corresponding cut outs.
5. Starting from the bottom edge of the roof, glue the Roof Tiles pieces to the roof ensuring they are evenly spaced.
Haunted House

Turret

1. Take the Back piece and fold along the central score line to create a V shape. Glue the bottom tabs to the corresponding edges of the Base piece as shown in the below left image.
2. Glue the Sides piece to the remaining edges on the base and glue to the Back piece.
3. Glue the Sides piece and the Back piece together at the sides.
4. Glue the remaining Top and Base piece to the top of the structure.
5. Using one of the Roof Side pieces, glue to one edge of the Roof Base piece. Glue a further Roof Side piece to the edge of the Roof Base piece and glue the Roof Side pieces together as shown in the below right image. Continue with the remaining Roof Side pieces until the turret point is complete.

6. Glue the completed turret roof to the completed turret.

7. Mat the Roof Side Mat and Window Mat to the corresponding areas of the turret.
Haunted House

Assembly

1. Using the completed Turret section, glue to the front left corner of the completed House section using the Back section of the Turret.

2. Glue the back of the Lean to to the right side of the house.

3. Glue the completed Attic section to the top of the completed House piece.

4. Using the Balcony Railings pieces, fold gently along the score lines and glue the bottom edge to the top of the house along the corresponding edges.
Kitten Goody Bag

Assembling the Kitten Goody Bag

1. Bend the bag mat along the score lines and glue the tabs.
2. Glue one mat on each side of the bag.
3. Tie the kitten's paws with ribbon to create a pair of handles.
4. Decorate.

You Will Need

- Coloured card stock of your choosing
- Bag x 1
- Mat x 1
Pumpkin Gift Box

You Will Need

Coloured card stock of your choosing
Box x 1
Embellishments x 1

Assembling the Pumpkin Box

1. Bend the box mat along the score lines.
2. Decorate.
3. Use ribbon to tie both stems together.
Pumpkin

Cutting Files

Sides Mat x 10
Sides x 10
Stalk and Leaves x 1 plus additional leaves if desired
Top and Base x 1

Cut the files in the quantities stated above.
Pumpkin

1. Using the Sides pieces, glue together using the tabs at the sides as shown in the below left image. Continue until all Sides pieces are joined.

2. Take the Top and Base pieces and glue to the openings at the top and base of the pumpkin.

3. Mat the Sides Mat pieces to the sides.

4. Take the two stalk shaped pieces and mat the top sections together, leaving the section below the score lines open as shown in the below right image.

5. Fold out the bottom section of the stalk and glue to the top of the pumpkin.

6. Decorate with the leaves and vine pieces to finish.
Tombstone Gift Box

You Will Need

Box x 1
Lid x 1
Lid Mat x 1

Assembling the Ice Lolly Party Bag

1. Take the horizontal piece with tabs and glue them to a bigger box.
2. Glue the bigger box together.
3. Glue the little box.
4. Put a ribbon through the small box slot to create a little handle.
Witch Shoe

You Will Need

Coloured card stock of your choosing
Box x 1
Embellishments x 1

Assembling the Witch Shoe

1. Bend the heel mat and glue the tabs.
2. Glue one of the sides of the shoe to the heel.
3. Add the sole and front part.
4. Glue the other side of the shoe.
5. Glue the mats to the sides.
6. Add buckle and decorate.
