Altar

Cutting List

Altar

1 x Base

1 x Door

7 x Side

1 x Love Motif (optional)

8 x Roof

Step 1

8 x Mat

8 x Side

2 x Top and Base

Step 2

8 x Mat

8 x Side

2 x Top and Base

1. Using the Step 1 Side pieces, glue to the edges of one of the Step 1 Top and Base pieces.
2. Glue the Side pieces together using the small tabs and glue the second Top and Base piece to the remaining tabs.
3. Mat the Step 1 Mat pieces to the sides.
4. Using the Step 2 Side pieces, glue to the edges of one of the Step 2 Top and Base pieces.
5. Glue the Side pieces together using the small tabs and glue the second Top and Base piece to the remaining tabs.
6. Mat the Step 2 Mat pieces to the sides.
7. Using the Altar Side pieces, glue to the edges of the Altar Base piece. Glue the Side pieces together using the long tabs at the edges.
8. Using the Altar Door piece, glue to the remaining edge of the Base piece and glue to the sides.
9. Using the Altar Roof pieces, glue together using the long tabs at the sides.
10. Glue the roof to the inside of the altar section so the tabs sit just above the arches of the sides and door.
11. Glue Step 2 to the top of Step 1, then glue the altar to Step 2. Ensure all elements are positioned centrally.
12. If using the Love Motif, mat the two heart sections together leaving the tabs open. Mat the love piece to the corresponding section of the heart. Glue the completed motif to the inside centre of the altar to finish.

Compote Vase

Cutting List

8 x Base Side Mat

8 x Base Side

1 x Base Top

1 x Base

1 x Stand Top and Base

8 x Stand

1 x Vase Base

8 x Vase Side Mat

8 x Vase Side

1. Using the Base Side pieces, glue to the edges of the Base piece, then glue together at the sides.
2. Glue the Base Top piece to the top.
3. Using the Stand Side pieces, glue together at the sides.
4. Glue the Stand Top and Base pieces to the corresponding ends of the stand.
5. Glue the Vase Side pieces to the edges of the Vase Base piece, then glue together at the sides.
6. Glue Stand to the Base, and the Vase to the Stand.
7. Decorate with the mat pieces to finish.

Confetti Box

Cutting List

1 x Box
4 x Mat

1. Using the Box piece, glue together using the long tab at the side.
2. Fold the plain tabs at the top into the centre, then fold in the tabs with the hearts to close, ensuring the hearts are folded so they are upright.
3. Decorate with the Mat pieces.

Cupcake Box

Cutting List

1 x Box
1 x Mat

1. Assemble the Box by gluing the tabs to the corresponding sides.
2. Decorate with the Mat piece, ensuring to line up with the top of the box.
3. Thread ribbon through the holes in the top to close if desired.

Diamond Ring Box

Cutting List

1x Base
1x Front Side
1x Sides

1. Glue the Front Side and the Sides to the base by the tabs.
2. Glue the sides together by the tabs.
3. Glue the curved tops together to close the box, or you can use a ribbon to close the favour box.

Fan

Cutting List

10x Fan

1. Cut 10 pieces of the fan (if you want a wider fan, cut more than 10 pieces).
2. Place the pieces together and, with a split pin, join the fan pieces by the apertures on the bottom of the pieces as seen in the picture (you can also use thread or ribbon to link them together).

Flower Bag

Cutting List

1x Flower Bag

1. Glue the sides together by the tabs.
2. Add the flower mats to each side of the bag.
3. You can use ribbon or thread to close the bag through the aperture of the flowers.

Flower Detail Vase

Cutting List

1 x Base
8 x Mat
8 x Side

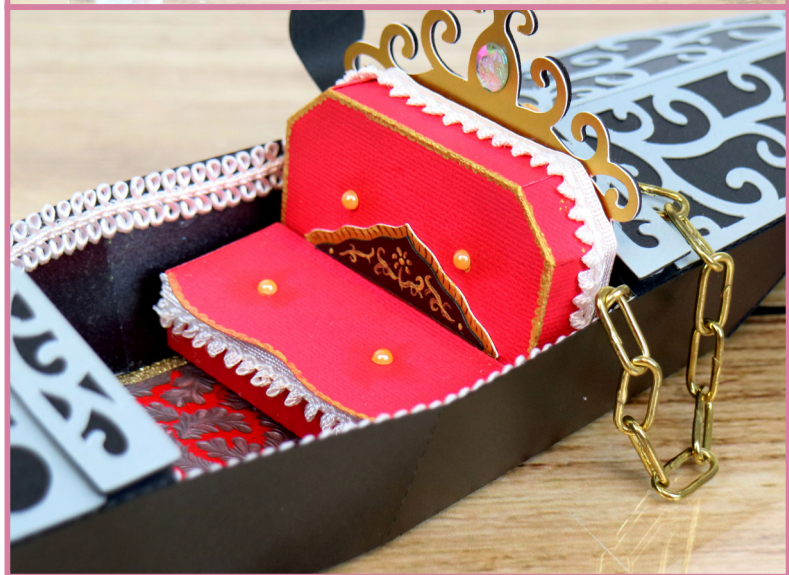

1. Glue the Side pieces to the edges of the Base piece.
2. Glue the Side pieces together at the sides.
3. Decorate with the Mat pieces.

Gardenia

1. Cut two of the file.
2. Shape the petals so the edges curve outwards.
3. Glue the petals of the same size to each other, positioning at an angle to create a full shape.
4. Glue the petals together working from largest to smallest.

Gondola

Cutting List

1x Base Mat
1x Base
1x Bow
1x Ferro and Risso

1x Front and Back
1x Seating and Forcola
1x Stern and Bow Mats
1x Stern

1. Cut the base mat of the gondola from another colour for inside the boat if desired, as seen in the picture.
2. Fold the Base by the score lines.
3. Glue the Front and Back to the Base.
4. Stick the Stern and Bow Mats to the Bow and the Stern.
5. Once glued, lightly score the Stern and Bow to create the shape seen in the picture.
6. Glue the Bow and Stern to the front and back of the gondola.
7. Add the Ferro and Risso to the front and the back of the gondola.
8. Glue the seating together by the tabs.
9. Bend the Forcola slightly as seen in the picture and glue to one of the sides of the gondola.
10. Add the seating to the middle part of the boat.

Handbag

Cutting List

1x Handbag

1. Glue the mat to the handbag flap.
2. Glue the main bag piece together by the tabs.
3. Stick the flap to the main bag piece.
4. Add the strap to the top of the handbag.

Heart Detail Basket

Cutting List

1 x Base
1 x Handle
8 x Side

1. Using the Side pieces, glue to the edges of the Base piece.
2. Glue the Side pieces together using the long tabs at the sides.
3. Glue the Handle piece to opposite sides of the basket, ensuring to line up the heart shapes.

Heart Favour Box

1. Cut one of the file.
2. Assemble the box by gluing the tabs to the corresponding sides.

Heart Lace Box

Cutting List

- 1 x Box
- 1 x Cover

1. Glue the box together by the tabs.
2. Stick the cover on the base of the box as seen in the picture.

Hexagon Cut Out Box

Cutting List

1 x Base
6 x Box Side
6 x Lid Side
1 x Lid Top Insert
1 x Lid Top

1. Using the Box Side pieces, glue to the edges of the Base, then glue together using the tabs at the sides.
2. Using the Lid Side pieces, glue to the edges of the Lid Top, then glue together using the tabs at the sides.
3. Push the cut-out detail sections of the lid pieces outwards so they stand raised from the lid.
4. Glue the Lid Top Insert piece inside the Lid Top piece.
5. Put the lid on the box to finish.

Hexagon Lid Box

Cutting List

1 x Box Base
6 x Box Side
6 x Lid Side Mat
6 x Lid Side
6 x Lid Top Mat
1 x Lid Top

1. Using the Box Side pieces, glue to the edges of the Box Base, then glue together using the tabs at the sides.
2. Using the Lid Side pieces, glue to the edges of the Lid Top, then glue together using the tabs at the sides.
3. Decorate with the mat pieces to finish.

Lanterns

1. Cut one of the file.
2. Assemble the box by gluing the tabs to the corresponding sides.

Lattice Basket

Cutting List

1 x Base
1 x Handle
8 x Side

1. Using the Side pieces, glue to the edges of the Base piece.
2. Glue the Side pieces together using the long tabs at the sides.
3. Glue the Handle piece to opposite sides of the basket.

Letter and Card Rack

Cutting List

1 x Box
1 x Mats

1. Glue the base of the Rack by the tabs.
2. Glue that box to the bigger piece as seen in the picture.
3. Add the Mats to the rack.

Moon Box

Cutting List

1 x Box Base
1 x Lid

1. Glue the Box Base together by the tabs.
2. Glue the Lid as the base.

Peony

1. Cut one of the file.
2. Shape the petals so they curve inwards.
3. Take the largest piece and glue the small tabs to the edges of the octagon, and glue together at the sides.
4. Glue the remaining petals together at the sides.
5. Glue the petals into the centre of the octagon, working from largest to smallest.

Two Tiered Cake

Cutting List

Tier 1

3 x Side Mat
3 x Side
2 x Top and Base

Tier 2

2 x Side Mat
2 x Side
2 x Top and Base

Assembly is the same for both tiers.

1. Glue the Side pieces together using the tabs at the sides.
2. Using one of the Top and Base pieces, glue the Side piece to the edge, following the curve of the shape.
3. Glue the remaining Top and Base piece to the top.
4. Decorate with the Mat pieces.
